

Greetings from Gatlinburg and the Johnsons at Johnson's Inn

October is upon us and Gatlinburg is all decked out for fall. The Gatlinburg Craftsmen's Fair is October 9-29. The Harvest Festival has already started and runs through October 31st. for more info go to <http://www.eventsgatlinburg.com/>. The weather is turning cooler and the leaves will soon begin to put on their fall show. We anticipate a busy month and have been sprucing up the Inn.

In case you haven't been to the Inn in awhile, the Johnson's are back managing the motel. We took a break for a few years but the family is now back at the helm and are making some positive changes. We hope that you will come visit us again soon. As you may know we have converted some of our units into 2 bedroom condominiums that we now offer for nightly rentals. Each unit has 2 bedrooms each with 1 king or queen bed, fully equipped kitchen, living room and flat screen televisions.

For the month of October we would like to offer you the opportunity to try one of our condo units for the special rate of 2 nights at regular price then get the 3rd night free. Just mention the email special rate of REP1008 when making your reservation.

We look forward to hearing from you soon.
